## Public Notice to Boil Water in Your Area

On January 3, 2019 the Texas Commission on Environmental Quality (TCEQ) has required Gum Springs Water Supply Corp. 1020026 to issue a Boil Water Notice Due to a 8" Main Water Line Break at Walkers Mill Rd.

**Customers that are on Timber Lake Ranch, Look Out Ct., Walkers Mill Rd., Collins Rd., Roesch Rd., Page Creek Rd., Meadowview Ct., FM 450 N, Highland Est., Mt. Pleasant Rd & Mt. Pleasant Cut-off are the ONLY ones needing to Boil Water.**

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and making ice should be boiled and cooled prior to use. The water should be brought to a vigorous, rolling boil and then boiled for two minutes. In lieu of boiling, you may purchase bottled water or obtain water from some other suitable source.

**When it is no longer necessary to boil the water, the water system officials will notify you that the water is safe for consumption. Instructions to discontinue boiling will be issued in the same manner as this notice.**

If you have questions concerning this matter, you may contact Derrick Todd at 903-660-3420.

Thank You,

  
Derrick Todd
